ABOUT US

Almaamura Advisory & Commercial Brokerage Co. is a professional business consultancy and commercial advisory firm providing strategic solutions across business development, project raising, commercial brokerage, investment advisory, and project management services.

Established through the combined expertise of highly experienced industry professionals with more than 60 years of combined business experience, Almaamura delivers practical, innovative, and result-oriented solutions tailored to regional and international markets.

Our firm supports clients across the Middle East, GCC, Europe, Africa, and Asia — providing integrated consultancy services that enable sustainable growth, operational excellence, financial optimization, and strategic expansion. We are committed to building long-term partnerships based on integrity, reliability, professionalism, and measurable results.

02 VISION & MISSION

Vision

To become a leading regional advisory and commercial brokerage firm recognized for delivering innovative business solutions, strategic partnerships, and sustainable investment opportunities across diverse industries.

Mission

To empower businesses and investors through professional consultancy, structured financial solutions, project development expertise, and commercial advisory services that create long-term value and sustainable growth.

CORE VALUES

Integrity & Transparency

Unwavering commitment to ethical conduct and open, honest communication in every client engagement.

Professional Excellence

Delivering the highest standards of expertise, quality, and professionalism in all our services.

Client Commitment

Placing client success at the heart of every decision, recommendation, and solution we provide.

Strategic Partnerships

Building lasting alliances that create mutual value and open new opportunities for all parties.

Innovation & Sustainability

Embracing creative thinking and responsible practices to deliver enduring, long-term results.

Reliability & Accountability

Honouring every commitment with consistency, personal ownership, and measurable outcomes.

LEADERSHIP TEAM

Almaamura is led by two seasoned professionals whose combined expertise spans more than 60 years across aviation, business development, financial advisory, and international trade.

CHAIRMAN

Capt. Mohammad Alkhashman

With more than 30 years of experience in the aviation industry, serving in the Royal Jordanian Air Force, Capt. Mohammad Alkhashman established his own aviation company — the first privately owned Jordanian airline operating in Jordan & the Middle East.

MANAGING PARTNER

Mohammed Abdelrahman

With over 30 years of experience, Mohammed Abdelrahman is a strategic consultant specializing in business development, financial advisory, and international trade across MENA and global markets, recognized for driving growth through innovative restructuring and high-value commercial partnerships.
